2. As reported by the District Supply Officer, Bellary, the work in the Rationing Office, Hospet will considerably increase during the harvest season and the existing staff will not be able to cope with the work. During the last year, the Government in their Order No. 2136, Food and Agriculture, dated 16-11-1950, sanctioned the employment of an additional lower division clerk in the Rationing Office for a period of two months from the date of appointment. Though, the District Supply Officer has recommended the sanction of an additional Lower division clerk for a period of three months, the Board considers that as in the last year, the employment of the additional clerk for two months will be sufficient. It accordingly requests that the Government may be pleased to sanction the employment in the Rationing Office, Hospet of a lower division clerk for a period of two months from the date of appointment or till the necessity for his employment ceases whichever is earlier. As the harvest is expected to commence shortly, i.e. from the middle of this month, the Board requests early orders.
